

A modern outdoor hot tub is situated on a wooden deck. The deck is covered by a roof with horizontal slats. The wall behind the tub is made of dark, vertical slats with horizontal wooden accents. A string of warm-toned lights is mounted on the wall. To the right, a large potted plant stands next to a white pillar. The hot tub is white with multiple jets and a control panel.

design

NATUR'ALE

Montta NATUR'ALE brings in an extraordinary identity to living quarters by combining the 3D effects of Geomatrix forms. Montta Explores the true potential of concrete, reaching beyond utility into artistically refined applications, that are stronger and more durable. The human element is present and involved in every step of manufacture.

The NATUR'ALE range comes in an extensive array of designs, that can be mixed and matched in an almost endless combination of pattern, limited only by your imagination.

**Size:**

Variation of 1% can be expected in the dimension of the panels. For appropriate alignment of the panels during installation, use of spacers is highly advised.

Thickness:

Variation of 10% can be expected in the thickness of the panels.

Cracks:

Visible cracks on the panels are considered as defects caused with improper handling while storing or transportation. Hairline cracks on the panels are NOT considered to be defects. They are a natural characteristic of the material and do not tamper with the functionality. These cracks which are developed over the years are minute, surficial and generally not visible to the naked eye.

Pinholes and Air Bubbles:

Concrete naturally has some air trapped in it while manufacturing. The occurrence of holes / bubbles is an inherent attribute of the material. Therefore no panels are imitable.

Smooth Natural:

The panels with this texture is one of our most sophisticated yet earthy offerings. You can expect a few small pinholes on the surface of the panel. This is not considered a defect.

Easy Application

Water, Algae &
Fungus Resistance

UV Resistant

Endurance &
Long Lasting

High Adhesion

Stain Resistant
& Easy Clean
